Parent-Student Exchange Day 1974

Parent-Student Exchange Day 1974 was once again a success.

Approximately 300 CHS parents visited Carroll for one day. These parents took their teenagers' place at school and went from class to class. In this manner the parents were able to meet the teachers and find out if school was as bad as their sons and daughters portrayed it to be. Most of the parents discovered that school could be exciting and meaningful but also exhausting.

Through this exchange program-parents, students, and teachers appreciated each other. Parent-Student Exchange Day 1974 was rated by the mothers and fathers as a very warm and informative event. Many are eagerly awaiting next year.

CHS Talent
Extraordinaire

Carroll students, a kaleidoscope of people, their lives, their gifts, and their dreams . . . Throughout the school year CHS students exhibited an array of talents in a diversity of events from the dawn of the morning band practices to the dusk of the evening Follies performances.

Follies Goes *Nostalgia*

The 1975 Follies centered on Nostalgia, ranging from the 20's to the 30's. Mr. Bauserman assembled a cast of 45 performers and 20 acts. The two evening performances were filled with skits, dancing, and singing.

The Art Dept., under the direction of Miss Evans, designed settings that were reminicent of the various decades. And Mr. Robinson, with his ever present camera and electronic knowledge, assisted wherever needed.

"Follies Goes Nostalgia" became an evening of fine entertainment with the cast richly deserving the rounds of applause it received.

CHS WRESTLING TEAM SECTIONAL CHAMPIONS

Once again, winter sports were competitive and exciting at CHS as the Wrestling team was runner-up in the Conference, ran away with the East Noble Invitational, won it all in the Sectional, and took 5th in the Regional.

It was a rebuilding year for the Basketball Squad. Still the team finished with a winning season and conference record. Most important, and for the first time, the team advanced to the finals in the ACAC Tourney.

Opposite Page-Left: Mr. Gorsuch proudly displays the Sectional Championship Trophy for Wrestling. This Page-Below: Tom Mader reaches high, but not high enough for a rebound. CHS BASKETBALL—COUNTY TOURNEY RUNNERS-UP—FIRST TIME

"FINIAN'S RAINBOW"

Finian McLonergan and his daughter, Sharon, began planning their voyage from Ireland to America two months before the scheduled dates of arrival, March 14, 15, and 16. However, due to a sudden snow storm, the March 14th arrival had to be delayed till the 17th. Finian and his daughter were then warmly greeted by the citizens of Missitucky and by their audiences as well.

This year's lighthearted musical "Finian's Rainbow" upheld the Carroll tradition of outstanding performances. Under the guidance of Music Director Luke Matthew, Drama Director James Bauserman, and Student Director Maria Garoufalis the cast and orchestra delivered performances that won several standing ovations.

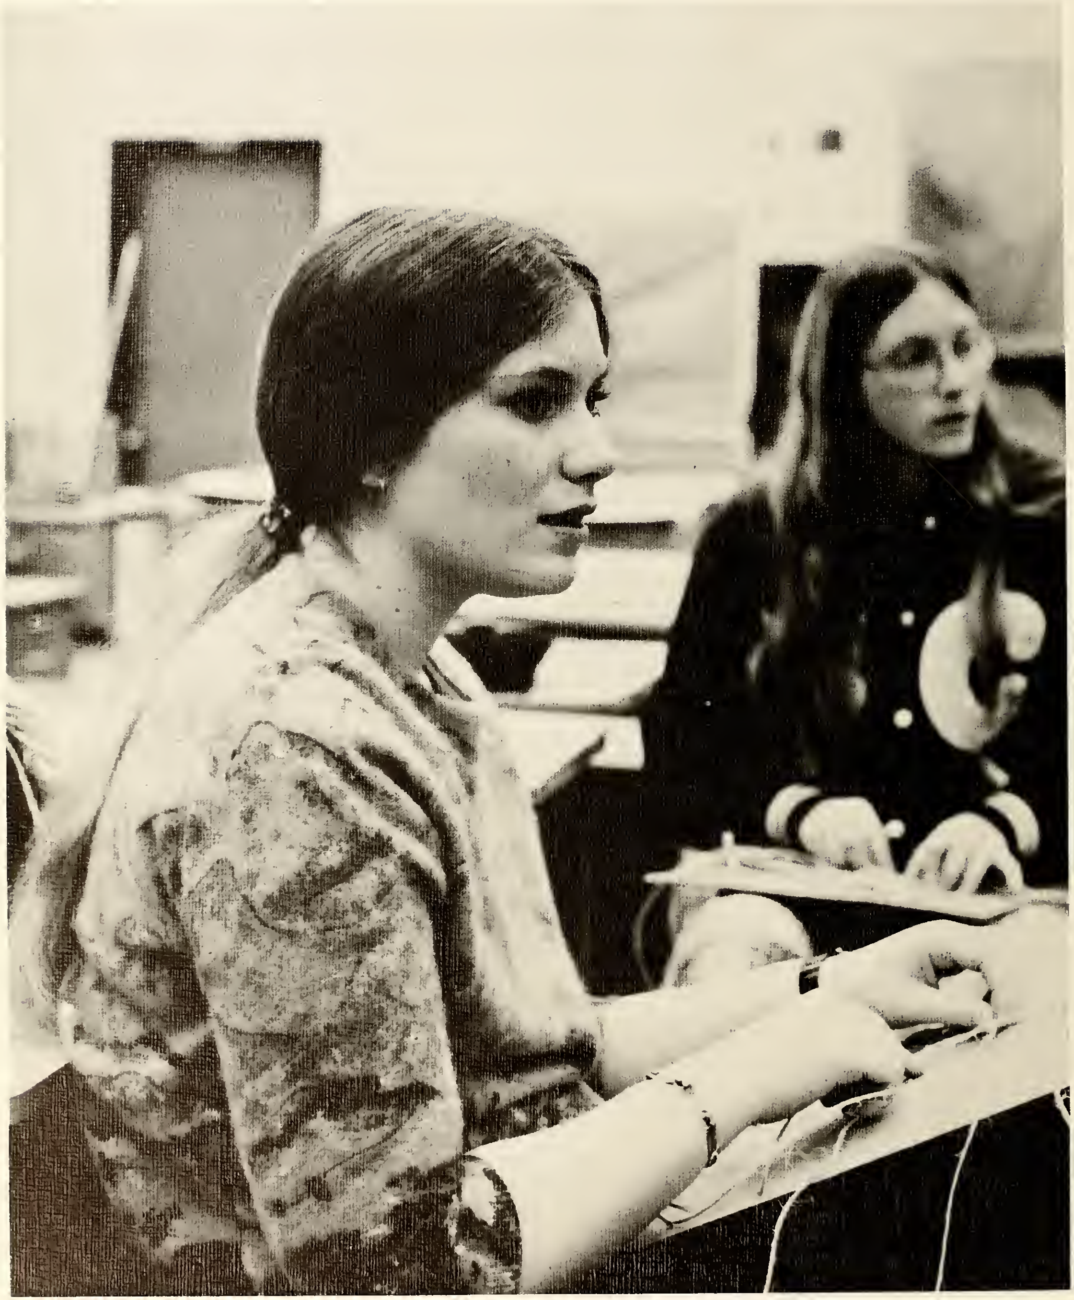
Mini-Course Day . . .



In April of '75, the Student Council's Mini-Course Day became a reality. After a month of hard work and preparation, a committee led by Jane Wenzel presented a Mini-Course Day for Carroll. Students, teachers, and area professionals volunteered to present subjects not encountered in the regular curriculum.

Subjects for mini-courses varied widely, from Nuclear Weapons to Gem Polishing to Advanced Mechanics. Some courses pertained to hobbies such as Coin Collecting, Fencing, and Macrame (which appears to be a favorite of Bridget Meehan pictured on opposite page). Still others involved physical exercise like Yoga, Gymnastics and Jazz Dancing (pictured below).

The students were able to get an overall view of some of the talent which exists in Fort Wayne. For example, it was fascinating to learn that Mr. Pusey (pictured left) has won several international photography awards and has had his work published in several national magazines.

Most important, students and teachers at CHS were able to abandon the regular classroom routine for one day. Mini-Course Day was indeed . . . FANTABULOUS. It was the overwhelming opinion of faculty and student body to establish Mini-Course Day as an annual event.

CARROLL RELAYS

. . . Fantabulous

. . . 1975 Carroll Relay Champions . . .

Saturday, April 26th the Carroll Relay Team under the direction of Coach Tom Keefer and Assistant Coach David Bordner captured first place at the 1975 Carroll Relays. Carroll was victorious by 2½ points over nine participating schools. The teams competing were Northfield, Wawasee, Wabash, Heritage, Homestead, Carroll, Bishop Dwenger, Garrett, and Columbia City.

Sophomore, Barb Conklin reigned Queen on this memorable day. Her court consisted of Debbie Oliver, Sally Berkey, and Dawn Lutter.

Opposite page: Far left: Queen Barb Conklin. Top: Tone Schortgen, Bob Wagner, Ed McCloskey, and Chuck Irvin proudly raise the victory trophy. 1975 Prom Theme "Color My World"

The Junior class under the direction of Miss Evans made the 1975 Prom, a beautiful array of color and light.

Through the ingenius use of paper cups donated by MacDonald's, Miss Evans along with her Art classes, created billowing covers for the lights. Judy Cooper and Jane Wenzel and a staff of Juniors, decorated the Commons area to create a world of color.

The big night found couples dancing to the music of a group called "Whisper." The After-Prom was held at the Shiloh. Only one section of the Shiloh was used; however, everyone enjoyed dancing to the band "Surge."

The 720th Day

The 720th day, May 22, 1975 signaled a rapid end to what seemed to be a long four years. The Seniors however were not to leave without their presence being felt by the underclassmen. Thus, the Class of '75 made Senior Hall a tradition not to be forgotten.

To conclude the "last" day, the afternoon was spent in preparation for one of our most memorable days—Commencement.

WHAT THE WORLD

The final appearance for Seniors in the Carroll halls was Friday, May 23rd. The day began at 6:30 a.m. with the Senior breakfast. The awards ceremony followed. Many CHS students, Seniors as well as underclassmen, were recognized for their outstanding accomplishments. Then it was over, with only the formalities left, the Class of '75 was on its way to make its mark in the world.

In August 1971, the thought of becoming the graduating class of 1975 was only a dream. We were Freshmen then and witnessed the end of the dress code and daily activity periods.

In our Sophomore year, we saw a complete revision in the English Department. A variety of new courses was offered.

Our Junior year brought with it PSAT tests and thoughts of college. We saw a change in Administration as Mr. Lee Cox became our new principal. We worked diligently to make the prom "Moonlight and Roses" a huge success.

Then came August 1975 and we were SENIORS!! Our Senior year brought with it four Foreign Exchange students—three from Brazil and one from Holland. We witnessed a revision in the lunch program.

During our four years we've seen performances that have started and upheld a tradition of outstanding musicals at Carroll. "Brigadoon", "The Music Man", "Damn Yankees", and "Finian's Rainbow".

Our class was able to capture Chapter Sweetheart for FFA all four years. And one mustn't forget the brilliant performance of our NFL who won state recognition.

In athletics we won ACAC Championships in Baseball, Basketball, Wrestling and Girls Track. We captured Sectional Championships in Wrestling and Girls Track and Regional Championship in Girls Track. The Wrestling and Girls' Track Teams sent competitors to State Tourneys. We saw the basketball team become Sectional II Runners-up our Junior year and County Tourney Runners-up our Senior year.

Carroll High School has given us many memorable experiences that will remain with us as we confront new challenges in our "new life." And as we anticipate the directions of our new life, we shall always remember our old life; not with sadness, but with fond affection.

—Maria E. Garoufalis—

English—English Why Do We Have To Take

ENGLISH

English learns you all sortsa ways to speak good and also lotsa ways to write bout watcher thinkinnng.

After a mere four years at Carroll, students have been taught to eradicate cacography and redundancy. Students have also acquired the ability to punctuate, conjugate, elucidate, reiterate, enunciate and extrapolate with an eminent degree of accuracy and with perfunctory expertise . . . HOW DOES THAT GRAB YOU???

Opposite Page—Far Left: Pausing to pontificate, Mrs. Byers postulates on the propriety of personal pronouns. Top: Chris Sweet demonstrates his abiltiy on the Unicycle. Foreign Languages

Studying the cultural interests in the Spanish Society was a major undertaking in the Spanish classes this year. Ms. Evarts' classes held a Christmas Pinata party while Ms. Duff's advanced classes experimented with making pinatas and "Ojos de Dios." The year was highlighted by a field trip to a Mexican restaurant for a typical Mexican meal.

A new face appeared in the German classes this year. Miss Sendelweck joined the Carroll faculty, further enriching the Foreign Language Department. In addition to the usual studies of the German language, several German students helped in the making of a float entered by the German Club in the Homecoming parade.

Mathematics Horticulture And Vo-Ag

If a modern machine produced 23 cans a day while the Carroll Vocational Agriculture classes can only weld 17 cans in a typical day, it is due to the fact that they are confused by the circumference of the base angles of 2 larger spheres both containing two times as many dimes as nickels needed to produce the special effects desired to improve the usual drab day, whereas the interest on a loan for the paint needed to complete the Horticulture Greenhouse amounts to 46% of the total cost of 19 meters of paint, compounded semi-annually, provided that a frequency of 33 kilocycles is present on the day of earning . . . All of which is beginning to worry the Administration's financial concerns.

ART CLASSES
Spark Enthusiasm!!

The Art room has been the scene of a new spirit of enthusiasm and creativity. Due to the influence of Miss Evans many fresh talents are continually being cultivated. Contributions to the school as a result of the Art Department's activities were revolutionary.

Carroll High School has been honorably represented by several dedicated students at art exhibits throughout the year. At the annual Scholastic Art Awards Contest, Doris Goodson received the Gold Key as a finalist. Her entry was judged in the National High School Art Exhibit in New York. Other students honored in the contest included Beth Grider, Bridgette Meehan, Margie Morris, Camille Bornkamp, and Tama Duff. Beth Grider also recieved the trophy for the best ceramic pot in the Fort Wayne Ceramic Show and the "Best of Show" trophy.

The Art Classes proved to be essential to the preparations of the annual Follies and the Musical. Vivid colors combined with the realism of backdrops as the scenery added to the authenticity of the productions.

The challenge of decorating for the prom was also graciously accepted by Miss Evans and her hard working students. From the collection of thousands of paper cups to the final development of the pyramid, the Art Department finished the year by helping to make the prom a successful endeavor.

HOME EC No Longer "A Woman's World"

The thinking that the Home Ec field is a woman's world has been disproven at Carroll with the invasion of men into the Home Ec courses. With the start of the 2nd semester, a new program was introduced into the Carroll curriculum. This was designed to help men become self-sufficient in later life.

The World Of Science Strives To Understand Our Surroundings

Striving to better understand ones surroundings is a major concern in the Science world. At Carroll High School, students work toward this basic concept of understanding. Through deep concentration and determination students uncover several new aspects of four basic Science fields: Earth Science, Chemistry, Physics, and Biology.

—Social— —Studies— Are Everywhere

The Social Studies Department plays a major role in every student's life. The courses within this department not only give the student background about his country, but also give practical experience for every day life. This knowledge is gained through experiences such as witnessing the State Legislature at work; being involved in a "simulated marriage" course; working with outside resource people; and studying the basic texts.

In February of this year the Government classes were able to see the information in their text books come to life. Students attended a session of the General Assembly which showed our State Government in action. This experience could never have been attained in a classroom.

The most controversial issue which directly affected each of us this year was the E.R.A. Two outside speakers presented to Carroll students Pros and Cons of passing such an amendment. Arguments for each side of the issue were quite strong. On the basis of these discussions, many students were able to examine facts and form their opinions concerning E.R.A.

On a trial basis the Sociology class took part in a marriage course. All aspects of marriage and divorce were studied. Planning of the wedding, budgeting, common marriage problems, insurance, funerals and divorce were all examined by the students. This course was designed to help those who would eventually experience the problems.

Other classes in the Social Studies Department include Values and Issues, Economics and Psychology. Values and Issues and Economics discuss many aspects of financial affairs in ones life. Psychology teaches students that it is just as important to know "how to live" as it is to know "how to make a living."

For the first time present day students experienced first hand the true meaning of the word "depression" in the business world. Because of the economic problems faced by many nations, these classes helped students gain insight into todays affairs.

On the brighter side, the Typing II classes toured the Mutual Security Life Insurance Company and saw their classroom knowledge put to use. The Office Procedure Class was host to two guest speakers: Linda Fultz from the General Telephone Company and Nina Grill from the Charmaine Finishing School.

Mr. Etzler's Pre-Vocational Classes are involved in the development of practical skills. This involves "on the job training" enabling the students to "learn-by-doing."

During the summer months many heroic instructors gathered to confront eager new drivers. After endless hours of driving, the steel-nerved instructors succeeded in advancing the students to the second phase of driving—the license bureau.

Administration, Culinary & Custodial

During the 1974-1975 school year the administration inaugurated a few trial programs. Among these were the Division Chairmen and the Advisory Council. A new attendance procedure was also initiated.

The lunch program underwent a drastic change during the school year. Due to student protest, climaxed by a student boycott, the school officials were inspired to investigate the lunch program. After many long meetings the a la carte and normal lunch lines were abolished and two entirely new lunch types were oriented.

A hard working custodial staff is visible throughout the day to day activities at Carroll. Due to their diligent labor Carroll remains an exceptionally clean building to work in.

Cross Country "Movin' On"

Under the direction of Coach Dean Merryman, the CHS Cross Country Team dashed through a challenging season that ended with a record of nine wins and five losses.

Rick Gulick was voted outstanding runner of the team. He made All-Conference by placing third in the Conference meet.

The team, as a whole, proudly finished third in the ACAC, and twelfth in the Sectionals with Rick Gulick finishing 26th; Kevin Yoquelet, 44th; Jeff Gaff, 54th; Phil Williams, 55th; and Kim Blanchard, 87th.

Five Out Of Nine . . .
—Not Bad—

Although the Carroll Charger Football Team, under Head Coach George McKinney and Assistant Coach Ed Fox, began the season slowly, it came on stronger with each succeeding game. Dazzling runs and daring passes brought the CHS fans roaring to their feet.

Two of the highlights of the season were when the Chargers shut-out a top contender for the ACAC crown, the Homestead Spartans, by a score of 34-0 and when the tough East Noble Knights tumbled to defeat on the Charger's field, 6-0.

The offensive backfield was controlled by Sophomores, but the defensive team had more Seniors than any other football squad in Charger history.

The team compiled a record of 5 wins and 4 losses, and two school records were broken. Tone Schortgen scored the "Most Touchdowns in a Season" with 13, which was also the most touchdowns scored by anyone in the Conference. Rob Colcord became the new owner of the "Most Tackles in a Season" with 146.

Tone Schortgen and Steve Faurote were voted to the All-Conference Team with Rob Colcord being awarded "Honorable Mention."

Coach McKinney anticipates the next four seasons as having the promise of great teams, providing lots of action and thrills for Carroll football fans.

Wrestlers Finish 10 Wins, 2 Losses 1st—East Noble Inv., 2nd—ACAC . . .

. . . Win First Sectional For CHS

The CHS Wrestling Team under the coaching of Ed Fox, conquered most of its foreseeable problems and acquired a brilliant season full of outstanding victories!

Thoughts of a second ACAC championship were shattered after the second meet of the season when the Chargers lost a hard-fought contest to Adams Central. Thoughts of a successful season were not shattered, however. The team went on to win the next four meets and capture first place at the East Noble Invitational.

Defeat came for the second and last time at the Harding gym. Then five victories followed with the season ending in a 10-2 record.

In the ACAC Tourney, the Chargers relinquished their crown to Adams Central but still finished a respectable second.

The true highlights of the season came when the CHS Wrestlers took: first place at the East Noble Sectionals, sending six to Regionals; fifth place at the Fort Wayne Regionals, sending Ron Wells to State; and 36th place at State, with Wells taking fourth in his weight class, 126 pounds.

Ron Wells ended his outstanding high school wrestling career by winning 4th place at the State Wrestling Tournament. In his four years of wrestling at Carroll, Ron composited a 56-16 win-loss record.

In his Senior year alone, he remained undefeated throughout the entire season and earned a 25-2 record with the two losses coming at the State Tourney.

Wells is also the proud owner of several CHS wrestling records: Most Takedowns in a Career—64, Most Pins in a Season—17, Most Victories in a Season—25, and Most Victories in a Career—56. Indeed a career to be proud of!

Basketball Team Has Winning Season
COUNTY TOURNEY RUNNERS-UP

Coach Herm Moyer had something on this year's basketball team that he never had on past CHS teams—height! And with the average height a little over six feet, it definitely proved to be helpful in winning games throughout the season, but especially in the County Tourney. For the first time in Carroll's existence, the basketball team advanced to the Championship game of the County Tourney only to be defeated by the overpowering Norwell Knights.

In the Sectionals, the Chargers surprised Concordia with a strong 79-59 victory, but lost in the semi-final game to the eventual Sectional Champions, the North Side Redskins.

The CHS Cagers finished the season with a respectable 13-10 record, and placed 5th in the ACAC.

With three returning lettermen and this year's reserve team moving up, next year's team holds the promise of another thrilling, action-packed Carroll Basketball season.

Under the coaching of Mr. Beard, Carroll golfers placed fifth in the Sectional. CHS golf fans can look forward to 1976 when four of the five Sectional team members will be returning. Also, a core of young sod-busters is moving up to challenge the Varsity Team. Mr. Beard expects some rugged challenges to the First Five with close contests resulting.

Chargers Capture Carroll Relays . . . Set New Records . . .

The CHS Boys' Track Team, under Coach Keefer and Assistant Coach Bordner, finished the season with a 4-4-1 record. Although not an outstanding season, the highlight came when the Chargers won the Carroll Relays with nine teams competing.

Several new records were set throughout the season: Jack Wonderly was named the "Area's Best Long Jumper" with a 21′ 10½″ jump. Lenny Shank became the owner of the Shot Put record with a throw of 47′ 9″. Brad Banister jumped 6′ ¾″ to set a new High Jump record. 20.35 seconds became the new record in the 180 yard Low Hurdles set by Ed McCloskey. Bob Wagner set two new records this season: he ran the 100 yard Dash in 10.1 seconds and the 220 yard Dash in 22.7 seconds.

Of the record Breakers, only Senior Bob Wagner will not return—again, 1976 sure looks promising!

Volleyball, Track Teams Look Ahead

The Girls' Volleyball Team, managed by Vicke Davis and coached by Mrs. "Mac", fielded six Juniors, four Sophomores, and two Freshmen. During the season, the squad faced an average of six teams a week.

With everyone returning next year, and a new batch of Freshman coming up, 1975 Volleyball should be terrific!

The 1975 Girls' Track Team began a rebuilding year. In the process, the team shattered and discarded school records as if they were going out of style.

Rebecca Robinson lowered the 80 yard Low Hurdle record by a full second. Kelly Hall simply demolished the 100 yard Dash mark. It was by a whisper, but Elizabeth Schafer set a new 220 yard Dash plateau. The 880 yard Relay Team of E. Schafer, D. Yeknik, K. Hall, and R. Robinson not only blasted the old school record, but set a new Regional record and cracked the old State record twice. Debbie Hall leaped to a new distance in the Long Jump. Barb Conklin ran the 880 to break the old record time, and Colleen Meehan soared to a new height in the High Jump.

School records all and all should be broken again next year when the entire Girls' Track Team returns—WOW!

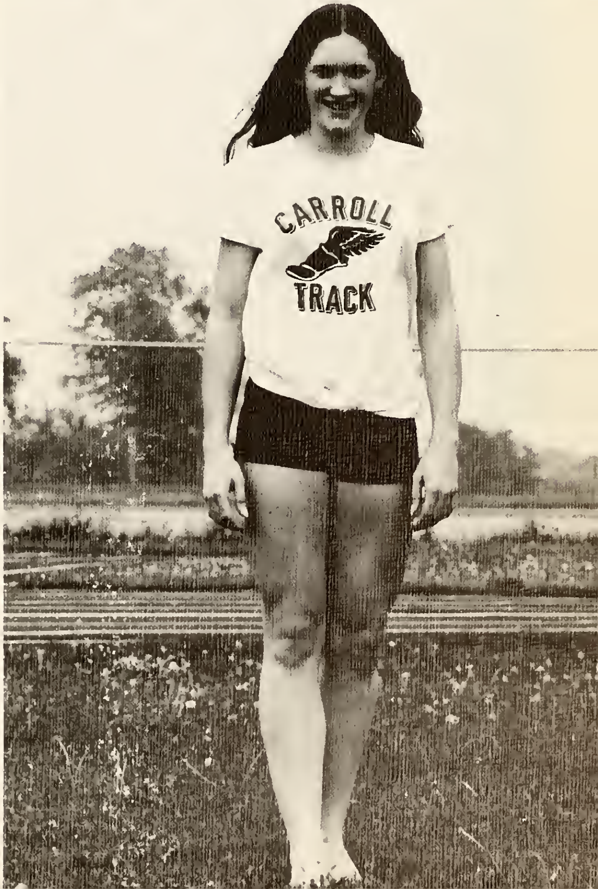
Sectional, Regional, And State Winners!!!

A winning tradition was established last year by the CHS Girls Track Team. This distinctly talented band of females swept every event in sight. A difficult act to follow—of course!! But along came Freshman Kelly Hall to accept the challenge of the 100 Yard Dash. Along came an 880 Relay Team of Deborah Yeknik, Elizabeth Schafer, Rebecca Robinson, and Kelly Hall, with alternates Teresa Ramer and Colleen Meehan to break all established records.

Through dedication and plain old-fashioned hard work, these obviously graceful, obviously attractive young women athletes began to make their mark. Kelly Hall "dashed" through the Sectionals and Regionals and found herself competing in the rare atmosphere of "State." Improving with each event the 880 Relay Team swept through the Sectional, captured the Regional (cracking the old state record), and in one of the most breath-taking finishes placed Fourth at STATE. It should be noted that all of the first four teams shattered the old state record for this event. It should also be noted that all of our girls will be back next year—1976 Look-out!!

Pictured above in an impish pose is the 880 Relay Team of Rebecca Robinson, Kelly Hall, Deborah Yeknik, and Elizabeth Schafer. Pictured at right—Kelly Hall stands proud.



CHS Cheers Cheers

The cheerleaders started their season by going to camp to prepare for the upcoming football and basketball seasons. A garage sale was sponsored in an effort to raise money for new uniforms.

When school began, the preparation of cheers for each game was held twice weekly. Little pleasantries for the team members were done, such as: putting up signs; decorating the busses and locker room; and treating them to cookies, cakes, candy, and donuts.

Besides cheering at games, the cheerleaders were responsible for all pep-sessions and getting the teams "fired-up" before each contest.

Some new activities this year, were a pep-session for the wrestling team after they won Sectionals, and participating in North Side's pep-session when their basketball team went on to Regionals.

Baseball

The 1975 Spring baseball season, marred by inconsistent play, ended with a 2-11 record. In Sectional play the team played well only to lose to Warsaw in eleven innings 3-2. The season also saw an innovation in High School baseball—the designated hitter. The new aspect, inaugurated by the IHSAA, had spotty results.

All—Matthew Band

Since his arrival at Carroll in 1972 Mr. Matthew has been shaping musicians into one of the finest concert bands in the County. This years Seniors were Freshman when Mr. Matthew arrived. For them, he formed the only Freshman band on record, enabling him to work harder and individually with the class of 1975.

This resulted not only in a fine concert and marching band, but also in excellent soloists for the NISBOVA contests. Sam Barden, Bev Ott, and Brian Sweet received a superior rating locally advancing them to the state level with their fine Saxophone Trio. Also in the woodwind department Randy Hoke on Clarinet went to the State Contest for his performance of Adagio and Tarantella.

Expressing fine talent other than on band instruments Debra Shaffer, Bev Conklin, and Cris Sweet performed piano solo's locally with Miss Shaffer advancing on to state.

From the percussion department we have Rick Trammel soloing throughout the tri-state area in Jazz and Snare drum rudiments.

In the spring of 1974 Mr. Matthew needed a drum-major for the 74-75 football marching season. Mike Coe volunteered his summer time to go to the Smith-Walbridge Drum Major Camp. Through intensive study Mike learned; directing, baton signals, discipline strutting, charting shows, maneuvers and routines.

Once again working up fine marching and concert material, the year 74-75 proved to be a dynamite All-Matthew Band.

SELECT CHOIR
It's Hello And Goodbye

In the spring of 1974 when the teachers made up their classes for the on-coming year, Mr. Matthew toyed with the idea of a CHS Swing Choir. Through many hours of auditions he came up with a "Select" group of people from the Concert Choir called the "CHS Select Choir."

Singing not only at CHS concerts the Select Choir performed for the Airstream Club, Angus Society, Business and Professional Womens Club, and for Churches in the Fort Wayne area. High recognition resulted when asked to come to WKJG television to tape for a 4-H special.

Not only being busy with the choir Sherry Grim and Geneva Krieger, along with Tammy Krieger from the Concert Choir formed a trio singing BOY FROM IPANIMA in the regional vocal contest at Bishop Luers.

The trio members also sang solo's at the February first contest along with Kent Greener singing A WOMAN IS A SOMETIME THING from "Porgy and Bess" and Karen Greener advancing past regionals to state singing I WONDER AS I WANDER.

All in all the Select Choir was a huge success, but Mr. Matthew says he will never have another, because it takes the trained voices away from the beginners in Concert Choir and makes it rougher on the younger students to learn how to read music. So Select Choir, "Hello-Goodbye."

Student Council Seeks Strong Representation

This year the Student Council involved itself in completing the Joene Wort Memorial, the Homecoming Dance, the Pop Machine, the Parent-Student Exchange Day, and Earth Day.

Its main accomplishment was providing activities for the students outside of their regularly scheduled classes. The Council is proud of its first attempt at a Mini-Course Day. It feels that this event should be expanded and scheduled on a yearly basis. Also, the Council sees some progress towards providing the students with a better lunch program.

President Laurie Wade is convinced that the Student Council should be a potent voice—representing all of the students. The needs and problems of the students can best be served when a strong Council can express student concerns to Administration for action.

—Carroll Times—

It was a very good year. The CARROLL TIMES Staff, with Cynthia Kurtz as Editor, took on the 1974-1975 school year and accepted every challenge. Every event, from school lunch boycotts to club happenings, was reported. Letters to the Editor were fairly and responsibly treated. The Pros and Cons of the E.R.A. were covered.

"Sometimes what you don't print is just as important as what you do print." The importance of this statement by Mr. "R" became fully understood as the year of controversial issues progressed. "Freedom of the Press" carries with it great responsibilities.

CHS Drill Team "Innervates"

It was a very successful year for the Drill Team. Working along with the band, made it possible to march at every football game except one. Though the basketball season was not as regular, the group performed several times with a colorful variety of routines. The Drill Team also showed its school spirit by marching at a few pep sessions.

Buying a complete set of 34 pairs of pompons was the biggest achievement this year. Also purchased were 34 tambourines and 34 hats and canes. With such equipment the Team was able to add variety to its halftime shows.

A favorite for the girls on the squad, and the audience, was the Christmas routine. The Drill Team was arrayed in silver tinseled uniforms with bells on their shoes while they danced to "It's Beginning To Look A Lot Like Christmas."

The Drill Team sold buttons saying "Carroll Chargers We Don't Mess Around" for a money making project.

Its immediate goal for next year is to be given a place for practice. The only space availalbe for practice was the hallways, which was very impractical when 34 girls were trying to practice.

The Drill Team officers were as follows: Judy Cooper, President; Debbie Hayes and Jane Wenzel, Vice-Presidents; Maria Garoufalis, Secretary; and Laurie Gayle, Treasurer.

"Twirling Chargerettes" Add Zest To Home Games

The excitement of the crowds, the lights, and the thrills of marching with the band, were all a part of the Twirlers flamboyant year. The Twirling Chargerettes performed at all of the home football games, and six home basketball games. They practiced for a total of 62½ hours this year.

Tina Sitton, as head majorette, led six other talented girls. Besides performing for school athletic functions, the Chargerettes marched in the Huntertown parade and attended summer practices. One of the spectacular performances, featured Miss Sitton twirling the "fire baton." CHS is certainly proud of its Twirling Chargerettes.

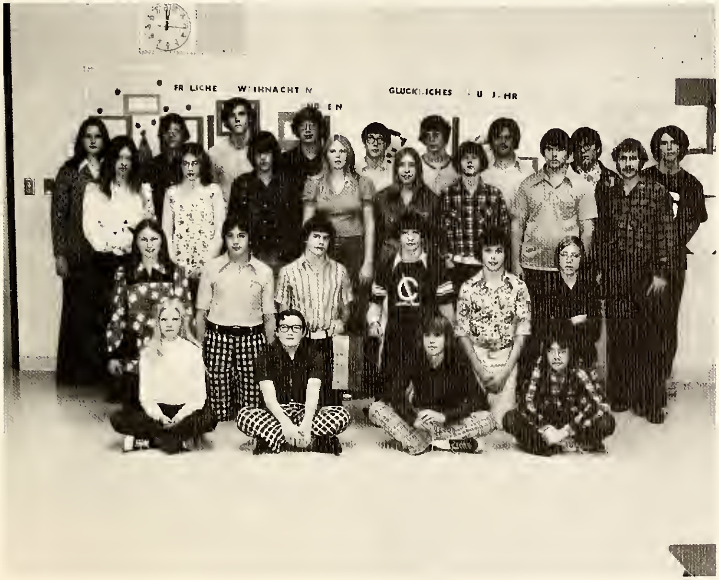
Fraulein Sendelweck Leads German Club



FR LICHE W IHNACHT N
GLUCKLICHES U J HR

This year the new German teacher, Fraulein Sendleweck sponsored the German Club. The German Club's purpose, (as stated in the "Der Deutsche Kreis" constitution) is: To further the study and interest of the German language and culture, and to provide an opportunity for extra-curricular activities in these areas.

Each year, it is the tradition of the club to enter a float in the Homecoming Parade. This year, the float with the theme "We're No. 1 and You're Whipped" was judged 2nd, runner-up.

The club sponsored a paper drive, and a Christmas party. It also visited a German restaurant.

All in all, it was a successful year for the German Club.

Future Farmers of America is the organization for all students enrolled in vocational agriculture courses. FFA emphasizes productive agriculture as well as agri-business. Members maintain projects or work experience programs to fit their needs. There is participation in areas from beef and crop production to sales and service.

The Carroll FFA Chapter has been very active this past year. The Horticulture Judging Team won a trip to the National Convention at Kansas City. Livestock and Dairy Judging Teams participated at the state level. Carroll FFA Members participate in various leadership, speaking, and proficiency contests.

Members have been very busy in district contests and meetings. Three district officers came from the Carroll FFA Chapter. The district convention and other meetings were hosted at Carroll.

The Carroll FFA was also active in community activities. The school farm at Perry Hill and seeding the lawn at Perry Hill were chapter projects. Members also participated in programs for local organizations and the local elementary schools.

Office Girls Aid FHA Plans Future

The office girls contribute their free time to aid personnel in the front office. This assistance is greatly appreciated, not only by the office staff, but also by the faculty.

Under the expert training of Mrs. Herdman, the girls operate the various Zerox and "Ditto" machines, producing tests, handouts, etc., to assist the classroom teachers. During the school day, the girls facilitate communications throughout the entire school. Pictured above left are the office girls. Writer's Cramp And Y-Teens

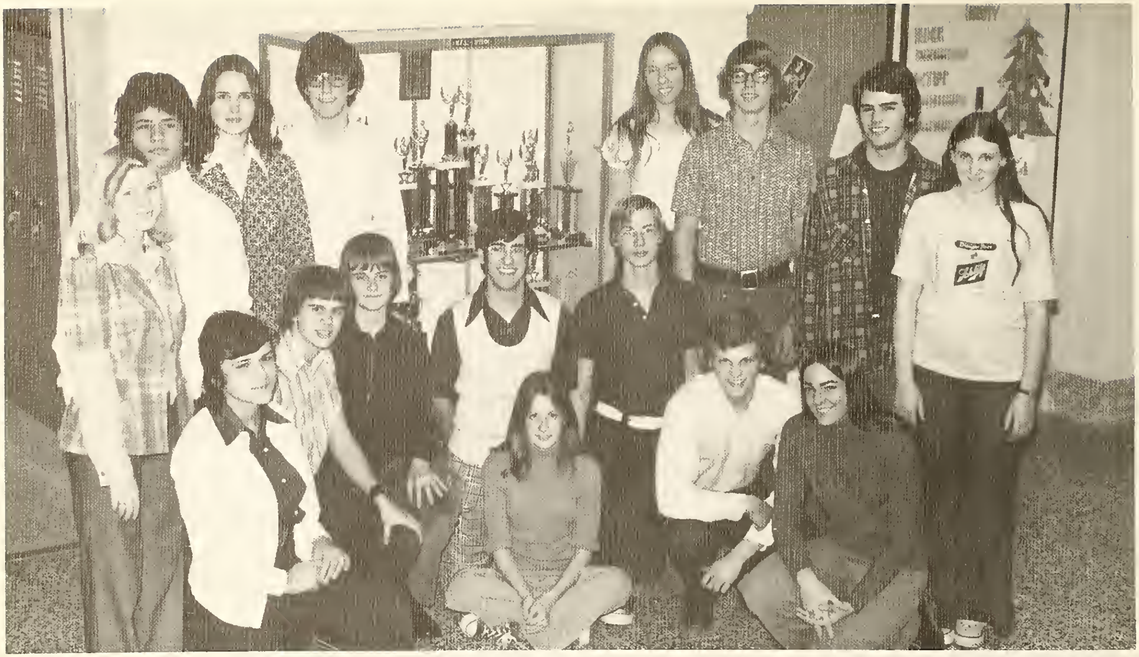
With the assistance of the Carroll Times staff, the Writer's Cramp Club compiled its first publication of FANTASIA. FANTASIA is a literary magazine full of the poetic efforts of the club members.

The Y-Teens were very active throughout the year. Y-Teens have a goal to grow as a person; in friendship with people of all races, religions, and nationalities, and to grow in knowledge and love of God. Y-Teens work in the community and through the YWCA to strive toward the goal of peace and justice, freedom, and dignity for all people.

Along with the many parties and school activities, Y-Teens also performed many Public Service functions. The girls collected canned goods for Thanksgiving Baskets and collected donations for the March of Dimes and Muscular Dystrophy. They also collected material and made quilts for State School.

Y-Teens had a panel for Parents without partners, and the annual Mother and Daughter Tea was held in May again this year.



Forensics

The 1974-75 speech year was a rebuilding one but most successful. Over sixty ribbons, seven individual trophies, and three team trophies were won. The team placed fourth in the regional while four NFL members, Denise Alexander, Fred Neuhouser, Frank Zucco, and Dave Baker traveled to Logansport for the 1975 State speech finals. Denise won Carroll's only ribbon by placing eighth in Poetry. Fred placed ninth in Boys' Extempt, and Dave won tenth in Humor.

Five members, Denise Alexander, David Baker, Rick Gulick, and Donna Brown received their fourth degrees. President, Fred Neuhouser was honored with the NFL of the Year award. The team members are looking forward to next October when another speech season will begin.

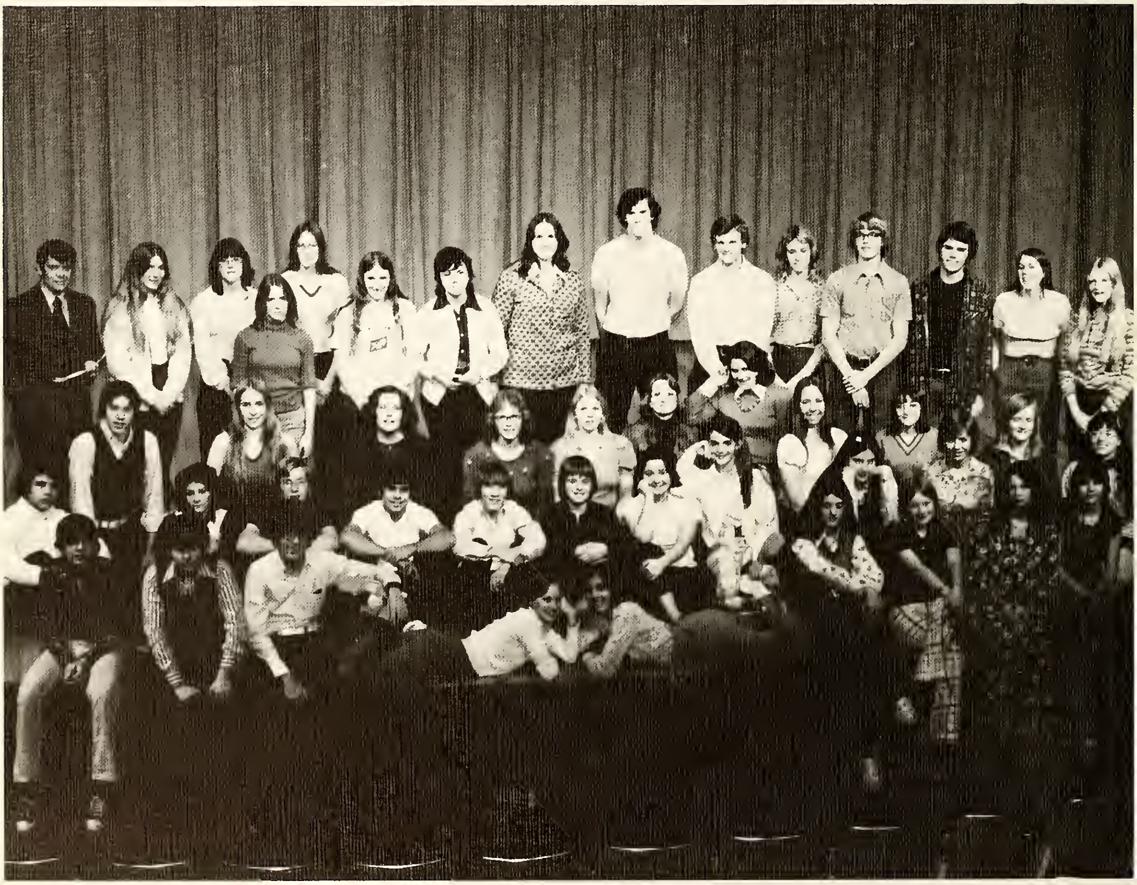
Drama Club Exposes Talent



The goals of the Drama Club are to provide an outlet for CHS students to express themselves on the stage and to urge as many as possible to perform. The way we achieve these goals is through the Follies in the fall and the Musical in the spring. These two efforts are the pride and joy of the Drama Club. The 1974 Follies theme was "Follies Goes Nostalgia" and the 1975 Spring Musical production was "Finian's Rainbow."

Is Patty pregnant?

SAN FRANCISCO (UPI) — The FBI said Monday it is "not going to overlook the possibility that fugitive newspaper heiress Patricia Hearst is pregnant.

"We are covering every base that we can," Special Agent Frank Perrone said. "We have put out flyers to medical centers on all of these people."

Pe rone said inquiries about Patr had been made at an abort clinic in Boulder, Colo.

Two national magazines said that Patricia—who was kidnaped from her Berkeley apartment Feb. 4, 1974 and later announced she was siding with her revolutionary captors—hid for a time in the Colorado mountains and is pregnant.

Wayne County, Pa., Sheriff Henry Kalinowski was reported as saying FBI agents informed him that Miss Hearst "was supposed to be pregnant or pretending to be pregnant."

Doctors strike in New York

NEW YORK (UPI) — Thousands of doctors protesting long working hours—sometimes up to 50 at a stretch—went on strike Monday against 21 hospitals in New York City.

The American Medical Association said it was the first major doctors' strike in the nation's history.

The strikers set up picket lines at 7 a.m. when negotiations between the 3,000-member Committee of Interns and Residents and the League of Voluntary Hospitals collapsed. But the striking doctors agreed to perform emergency medical services if needed.

The affected hospitals have a total of 14,000 beds and normally serve 10,000 additional outpatients daily. Hospital officials reported near-normal operations Monday. But three municipal hospitals, in anticipation of a strike, Saturday began discharging non-emergency patients and canceling nonemergency surgery.

The key issue in the dispute was long hours. The physicians claim they work up to 110 hours a week, with some working as many as 50 hours at a stretch.

"People ask me how can I as a doctor, go on strike?" said Dr. Charles Derrow, on the picket line at Flower-Fifth Avenue Hospital. "The point is, you have to make a stand

the fate of South Vietnam and Cambodia. One of the government's first steps Friday was to order a halt to all military training of Cambodian soldiers.

"We don't want to be accused of interference on the Cambodian border," newly installed Prime Minister Kukrit Pramoj declared after a day-long conference of top civilian and military leaders to formulate the new government's foreign policy.

Although the government has not set out its policy in specific terms, statements by government members indicate this general course is now being plotted:

by the end of the year ... negotiations with North Vietnam for diplomatic relations.

—A more conciliatory line with the Communist-neutralist coalition government in Laos.

—A call for an end to the U.S. military supply airlift to Cambodia from Thai bases.

"Thais are remarkable diplomats," said a veteran Western observer. "The old saying is that they bend like bamboo in the wind. Well, we know which way the wind is blowing now, and there is no alternative but for the bamboo to bend that way."

It happens . . . The year breezes by and suddenly it's over. All that's left is the memory. But, like an old painting, a memory will fade and crack with the passage of time. However, the memory of the past year can be kept alive with this book—your book—CAVALIER 1975.
